

The Nottingham and FEMCC Golf Croquet "C" Level Tournament was played on Wednesday, June 10th. Twenty-four players arrived to play, it was raining! At 10 a.m. all were ready in their waterproofs to start. Randomly selected block games of six twenty-minute rounds were played before lunch – all in heavy rain.

Lunch was a welcome diversion. Marion and Joan had prepared the meal of a delicious Chilli-con-Carne followed by various sweets.

The afternoon play commenced with block play again. Players were allocated a block depending on their morning performances. It poured with rain all afternoon! Sandy Brown of Nottingham C.C. was declared the winner, Bernard Johnson of Branston C.C. was second, with Irmgard Finnigan of Nottingham C.C. third. We were all refreshed by tea and cakes before the presentation.

Jennet Blake was the referee with Eileen Buxton managing the Tournament.

It is likely that there will be another "C" Level Tournament in September. Watch the website for information.
