

# FEMCC AGM 2020

## GC League Manager's Report

The 2020 season was cancelled.

Clubs will be asked in January, at the time of renewals, whether or not they intend playing one or more teams in 2021. We will hope of course that the Covid situation will allow a full league season to take place. Once I am aware of the teams playing I will be able to recommend at the March meeting the allocation to divisions. Naturally if there is no change from the teams proposed for 2020 the same format will apply.
