RESULT: ASHBY 7 – 2 NOTTINGHAM

After a one or two false starts and a postponement due to the Queen's funeral, the 14-point AC match against Nottingham finally went ahead on Sept 23rd on a nice warm day.

Each player in the team of three played a singles game against each member of the opposing team, giving nine games overall. Despite the time limit being increased to 1 hr 45 min (instead of 1:30 last year) only four of the games were pegged out within the time, and there were some close games, five of them being decided by just +2 or +3. Ashby prevailed in the end, winning 7-2 including all of the games in the final round.
